

INTERNATIONAL STUDENT WIN IN CHINESE GAMES

By Inoomasa Rukoro and Peters Fubara

There is always a great gain in sports competitions, ranging from medals, friendship and even mutual sportsmanship. This year's Chinese student games, held on the 18th of May, 2019 at Shandong University Medical Campus, where 12 international students participated. It was a great thing to have this joint sports competition with our Chinese student. These kinds of games, helps to create mutual bond and friendship amongst International Student and Chinese Student. Everyone had a great time.█

The international student participated in 100metres, 200metres, 400metres, relay, long jump and shot put. Among these events, we had Arshath Anish Mahathap, Chidamber Karthikeyan, Mahendra Varman and Srisaran Sakgoundanpalayam Kumaravel as 1st place winners in the men's relay category, as well as Theophilus Tafadzwa Mashonganyika emerging winner in the

long jump category.
